CONSTRUCTION & INDUSTRIAL

TRA: **C-1**
Speed Rating: **A2**

Galaxy Smooth Roller C-1 is specifically designed for compacting roadbeds and rolling asphalt. Its salient features and benefits are 1) The smooth wide tread provides even pressure distribution on road surfaces that gives smooth finish of road surface. 2) The compound used in this tire provides enhanced resistance to oily chemicals used in compacting applications. 3) Outstanding tire life & durability. 4) Reinforced sidewall design gives better resistance to external impact.
