AGRICULTURE

TRA: **R-1W**
Speed Rating: **A8**

The Alliance FarmPRO 70 Series Radial is a highly versatile range that represents the family of modern agricultural radial tires. The multi-angle lug design with steep angles at the center enables a smooth ride, along with self-clearing characteristics. In addition, the shallow angle at the shoulder provides superior traction. These tires are characterized by reinforced construction in the bead area and have enhanced bead-to-bead distance to facilitate a perfect fit on the rim. The regular cavity in the tread design ensures a straighter sidewall, which enhances the tire's visual appeal

TRACTOR - 320/70R28

Size	Rim	Unloaded Dimension		Loaded Static radius inch	Rolling Circumference inch	Load Index PR Symbols	Inflation Pressure psi	Recommended Load						
								Speed						
		Tractor application
