

GALAXY  
**EARTHMOVER &  
MINING**

TRA: **L-5S**  
Speed Rating: **A2**

Galaxy Super Severe Mine Slick tire is engineered for the most demanding underground mining. The Super Severe features a specially formulated compound that delivers superior protection from cuts snags and exceptional tread life. It is designed for maximum ground contact. It has a wide, flat tread for casing protection. Upper sidewalls are massive for protection against damages.

Steel Belt available in 32 PR only.
