AGRICULTURE

TRA: **R-1**
Speed Rating: **A8**

The Galaxy Agri-Trac II features a modern 45-degree curved design for a smooth ride on the trail, and excellent traction in all field conditions. Special stepped surfaces between the lugs facilitate cleaning in very muddy conditions. The wide front end provides extra life on hard surfaces/roads. The Agri Trac II is reinforced with a wear-resistant compound to give it a long wear life. The Agri Trac II has been selected as a tire mount by leading tractor manufacturers.
