TRA: **R-1**
Speed Rating: **A6**

Haul Pro is specially designed for heavy duty tractor applications. The 21 degree multi angled lug design with aggressive shoulders ensure excellent traction on the field and a comfortable ride on road. Robust construction with special tread compound provides protection against damages ensuring long tire life and reduced downtime. Superior durability, low soil compaction and high speed capabilities make Haul Pro ML the perfect choice for heavy duty field & haulage applications.

Bias R-1 - 16.9-30
